M&A internship at EMEA Advisory Group (July & Sept. 2025)

The EMEA Advisory Group (EAG) is seeking analytical and entrepreneurial candidates for its Paris office, with a firm grasp of complex financial concepts and a drive to work in a highly dynamic, meritocratic and rewarding workplace

Main duties & responsibilities

What to expect on a daily basis

- Attending team discussions, where you will be asked to actively participate
- Gathering market data to analyze industry context and help value and price transactions
- Gathering and summarizing financial and operating information
- Drafting presentations and memoranda for both internal and external parties
- Building and updating financial models

Your profile

What we are looking for

- We are committed to fostering an inclusive workplace and encourage applicants of all backgrounds
- Excellent academic track record and fluency in English and preferably in French
- Can-do mentality and strong quantitative / technical abilities
- Outstanding communication and time management skills
- **Available for a 6-month internship starting in July or September 2025**

Recruitment process & tips

What you should know before applying

- Apply via our career portal with CV and Cover Letter
- Get prepared to successfully pass our online test(1)
- Interview process requires a specific preparation (both fit and technical): leverage preparation resources such as 'Breaking into Wall Street' and feedback from current / former M&A interns
- Interview process will be led by Analysts and Associates
